

Still trying to figure it out?

Looking for a new home?

Why not join us?

At Big Bang we are a fast-growing, client-focused solutions company and we are seeking an experienced sales professional for the Alberta marketplace. We have great relationships with key suppliers, utilize the best technology platform for sales order management and client interaction, dedicated CSR support, in-house art and design. Your only focus is on continuing to build on those client relationships and closing those sales!

You are self-disciplined, know how to set and meet goals, and bring a creative approach to finding clients and offering solutions. You are a relationship champion, with a solid network.

We provide a positive work environment with a flexible schedule, a competitive salary that includes commission/bonus, and ongoing access to training and support.

Reach out and learn more about us, and how we have grown each year for the past 10...including during Covid.
