WEE 2024

MAY 24-25, 2024

White Oaks, Niagara on the Lakes, ON

What is WEE?

It started as a few women gathering in a hotel's conference room to share ideas and learning and it's grown to over 100 of the promotional products industry's top movers and shakers. Last year for our 15th anniversary we welcomed a mix of distributors, suppliers, and business service providers to network, learn and advance in our industry.

WEE is an event that is focused on professional development. We have had speakers cover everything from presenting to time management to growing sales. It's an incredible opportunity for personal and professional growth and to build your network with an amazing group of women.
