Members who use third party contractors must fill out the [Third Party Authorization Form](#). These independent third party contractors must obtain an authorization from PPPC to access the show floor and provide proof of liability insurance as per the floor access requirements on the **Third Party Contractor Authorization Form**. They must also be pre-registered.

Your Booth Staff

Exhibitors must pre-register booth staff. Registration, service, and order forms are available at [PPPC National Convention site](#). **Badges ARE NOT mailed in advance.** Self-scanning badge printing stations will be set up in the Foyer in Hall 1 of the International Centre during NATCON 2025. Badges must be worn at all times for set-up booths.

All accounts with an outstanding balance must be cleared by August 1, 2025, in order to exhibit.

MATERIAL TRANSPORTATION AND DELIVERY

RECALL Logistics is the recommended transportation broker. We recommend that you use RECALL for shipping your goods to the show or for storage prior to the show. They are best positioned to obtain the lowest material transportation rates and conditions available.

Rob McCall at 416-509-6103 or: rmccall@rogers.com

Shipment to show site directly must be labeled as follows:

PPPC National Convention – September 8 – 10, 2025
The International Centre, Hall 1
6900 Airport Rd, Mississauga, ON L4V 1E8
YOUR COMPANY NAME & BOOTH NO.:

WAIVER

PPPC and its contractors are not liable for cardboard containers or their contents.

We will endeavor to provide the utmost security and care for your goods. We strongly suggest you ship in non-destructible containers. Whether they are full or empty, as your cases will be traveling from city to city, cardboard boxes stacked on top of cardboard boxes tend to flatten boxes on the bottom causing damage to your products or documents. THIS IS FOR YOUR PROTECTION AND OURS. PPPC and its contractors can, at any time, refuse goods or relieve themselves of obligation for goods that are not suitable for travel or could, in any way, be damaged or damage

other goods because of poor packaging. We strongly suggest packing in TOTE style boxes with hinged lids and strong sides. NOT RUBBERMAID with snap on lids.

Other Carriers and Advance Warehousing

Carriers appointed by Recall Show Logistics will have top priority at the docks, both for move-in and move-out.

Exhibitors using other carriers or vehicles will only have access to the docks after Recall Services carriers clear the area. **PLEASE KEEP IN MIND THAT THE INTERNATIONAL CENTRE WILL TURN AWAY SHIPMENTS ARRIVING BEFORE September 6, 2025!** Advance shipping can be arranged through Recall Show Services. Contact Rob at 416-509-6103 or rmccall@rogers.com to arrange advance shipments.

After the show, as the hall is being cleared, Recall will pick up any goods left behind at 7:00 PM. RECALL will ship your goods to your address, apply their published rates and deliver them to you for C.O.D. receiving.

TEAR-DOWN AND MOVE-OUT

EXHIBITOR MOVE-OUT: Wednesday, September 10, from 3:00pm – 8:00pm

Empty boxes and crates will be brought to you after 3:00 PM on Wednesday, September 10, 2025. A RECALL representative will be available on site to assist you in preparing to ship your goods after the show.

PLEASE NOTE THAT WE MUST FREE THE HALL BY 8:00 PM on Wednesday, September 10, 2025.

THANK YOU FOR YOUR COOPERATION IN THIS MATTER. *WARNING: EXHIBITORS TEARING DOWN THEIR BOOTHS BEFORE CLOSING WILL BE INVOICED A FINE IN THE AMOUNT OF THE COST OF THEIR BOOTH.*

RULES AND REGULATIONS

All Rules & Regulations for Trade Shows are posted at [PPPC National Convention site](http://pppcnationalconvention.com) and are an integral part of your booth contract. Please carefully review the rules to ensure your booth complies with the rules and regulations. These include sight-line regulations, height allowances, etc. These rules will be enforced by show management.

ADHESIVES: Removal of tape, tape residue and/or any other adhesive material used to secure booth flooring used by exhibitors may subject to cleaning fees and rebilled back to exhibitors. Approved double-sided tape is available for purchase via Caldas cleaning services.

Please note that for security, health, safety and insurance reasons, we strictly deny any person under the age of 16 on the show floor at all times. Please advise your booth staff and booth set-up crew.

INSURANCE - MANDATORY

Exhibitors must carry their own liability coverage, fire, theft and/or other insurance and have the **obligation to provide PPPC with a copy of their certificate of insurance for this particular trade show. It is requested and is a condition for exhibiting.** Show Management shall take all necessary precautions to prevent losses and to protect the interests of exhibitors. Show Management, its official contractors and the International Centre will not accept responsibility for injury to persons, loss of, or damage to products, exhibits, equipment or decoration, by fire, accident, theft or any other causes while in the building and/or in transit to or from the exhibit site.

Exhibitors, or their agents, must provide adequate insurance for their own personnel, exhibits and materials against all such hazards. Please contact your Insurance Company and request they place a "rider" on your existing policy. Inform your Insurance Company of show location, move-in and move-out dates or provide them with a completed copy of the [liability insurance template](#). **This "Certificate of Insurance", with contractual liability insurance at limits of at least \$1,000,000 per \$1,000,000 aggregated, must be issued and submitted to PPPC no later than August 11, 2025.
