Ecorite is seeking a multi-line sales agency or representative for the Greater Toronto Area.

We're looking for someone with strong distributor relationships in the promotional products industry who wants to add a Canadian-owned, Canadian-run line to their portfolio.

Ecorite carries a broad range of tote bags, blankets, backpacks, sports bags, coolers, and travel items; some of which are manufactured right here in Canada.

If you're interested or know an agency or representative that could be a good fit, please email us at sales@ecorite.com
